

CHARACTERISTICS OF WELL FINISHED GARMENTS

FIVE BASIC FACTORS WHICH DETERMINES A GOOD GARMENT FIT

- ▶ Ease
- ▶ Grain
- ▶ Line
- ▶ Balance
- ▶ Set

1. Ease

Is the garment comfortable around the armhole, neckline and bodice.

2. Grain

- ❑ Is the garment cut in the lengthwise grain?
- ❑ It denotes the direction of the thread

3. Line

Are structural lines like dart, pocket, collar, side seam, armhole, neckline and hemline properly made.

4. Balance

The garments should look balanced from left to right and front to back.

5. Set

A well-fitted garment has a smooth set without wrinkles.
